Winter Sports Wrap-Ups

Boys Basketball

The Bears boys' basketball team featured eight 8th graders and had a great season. They finished the regular season 11-6, including a victory over conference runner-up Upper Bucks.

2019-2020 MS Boys Basketball Team

Marcus Ridley and Cole Gehlert led with experience and scoring. The Bears were anchored by the steady play of Drew Moyer and Braden Peterson, and saw a ton of growth from Cody Roth & Will Schultz. Isaac Scheetz, Justus Maina, and Riley Black also contributed to the scoresheet, and many young players demonstrated growth and potential for the future.

The Bears became the 2nd boys' team to make the playoffs this year and are primed to succeed at the Middle and High school levels next year.

Girls Basketball

From Coach Jessica Roth:

This year in girls' basketball we learned the definition of perseverance. As the coach I watched our girls give all they had and not end with the win, but that didn't stop them from trying again and again. I am so proud of each and every girl on the team. This year we grew closer together and solidified that the only one we play for is the Lord (ask the girls about AO1).

"...and we exult in hope of the glory of God. And not only this, but we also exult in our tribulations, knowing that tribulation brings about perseverance; and hope does not disappoint, because the love of God has been poured out within our hearts through the Holy Spirit who was given to us." Romans 5:2-5.

Thank you for entrusting your precious girls to Mrs. Rhodes and myself, and we look forward to what the Lord will teach us next!
