

QCS COVID-19 Athletics Safety Plan

August 31 2020

1. No spectators indoors
2. Indoor sports are limited to 11 people per team (including coaches)
3. Coaches must wear masks
4. Players must provide their own water bottles
5. Practice drills requiring close contact are minimized
6. No shaking hands before or after games
7. No team huddles with putting all hands in the middle, etc.
8. Temperature checks & symptom screening for all athletes and coaches before each practice or game, performed by the coach or athletic director. Checks must be done before boarding bus for away games.
9. No negative consequences for missed practices or games
10. Team equipment must be cleaned after each use
11. HS & MS teams play at opposite sites instead of same site
12. QCS players must be screened by adults at home before coming into school
13. Any positive COVID test must be reported to QCS Leadership, the Bucks County Department of Health, and the ACCAC League
14. Spectators allowed for outdoor contests only as long as the total number of people at the event is less than 250
 - a. Separate family groups in attendance must socially distance
 - b. No admission will be charged
 - c. Only prepackaged concession items will be sold
15. Coaches of visiting teams are responsible to complete fresh symptom and temperature checks before departure. This will be recorded on a sheet, and the sheets will be brought to the host school and turned over to their coach/AD.
16. For away games, bus travel is limited to 1 athlete per seat.
