

WALK THE WALK

December 2021

It is with praise and thankful hearts that we greet you. Praise for how God is working at QCS and thankfulness for our significant increase in enrollment. We entered the school year with the opportunity to serve 191 students and 37 new families. An increase of 52 students from last year! Praise the Lord for His faithfulness over the 70 year history of QCS and the wonderful outpouring of your prayers and support, THANK YOU!

Our theme this year comes from Ephesians 4: 1-3, encouraging not only staff and faculty, but also our students to “live a life worthy of the calling we have received” to WALK the WALK and lead by example. Our high school students work to lead through their Service Learning experiences.

“Service Learning is why I chose to stay at QCS for high school. I love the aspect of being able to serve those in and around our community. It is very important for high schoolers to have that opportunity. Here (at QCS) it is built into the curriculum and what we are doing every day.”

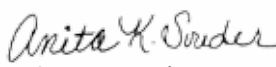

— Rachel Groner 11th grade

We teach students that through our faith, Jesus provides a path to walk and grow in Him. We serve because Christ served us first. Each new day is an invitation and an opportunity to impact the lives of our students. We are asking you to partner with us in providing the gift of an affordable Christian education. Our need-based tuition assistance program enables QCS to award over half a million dollars to 111 deserving students, 58% of our student body. It is through your prayerful consideration that we strive for a goal of \$35,000 to continue to serve the needs of our growing number of QCS families.

May you and your family have a blessed Christmas season of gratitude and thankfulness!

As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace.
—Ephesians 4: 1-3
