

Emphasizing Christ-like love, peacemaking, and service.

Dear QCS Families:

As we have long known here at QCS, volunteers can make or break a school year! We have found our volunteers to be crucial to the success of our fundraisers, to the tending of our campus, and to the day-to-day activities across our school. As you help us with fundraising efforts, we are able to help more families find their way here and are able to provide more experiences for your students. Please know how very valuable you are in helping us bridge the gap that public schools can often close through state funding.

Because of our strong desire to keep our students safe, we require that all volunteers complete the *Child Abuse Clearances* and the *Criminal Records Check* (free for volunteers), that can be found on our website at quakertownchristian.org. Once you have received these clearances, please submit copies to the main office where they will be kept on file.

Kindly consider how your family can support QCS throughout the year by completing this form and returning to the office at your earliest convenience. (Volunteers can be parents, grandparents, aunts, uncles, etc.)
